**Item 2(d).** Title of Class of Securities  
Class A Common Stock, \$0.0001 par value per share.\*  
  
\* Class A common stock is the class of common stock of the Issuer registered pursuant to the Exchange Act. The Reporting Persons own shares of Class B common stock. The shares of Class B common stock will automatically convert into shares of Class A common stock at the time of the Issuer's initial business combination (the "Business Combination") on a one-for-one basis, subject to certain adjustments. In the case that additional shares of Class A common stock, or equity-linked securities, are issued or deemed issued in excess of the amounts offered in our initial public offering and related to the closing of the business combination, including pursuant to a specified future issuance, the ratio at which shares of Class B common stock shall convert into shares of Class A common stock will be adjusted (unless the holders of a majority of the outstanding shares of Class B common stock agree to waive such adjustment with respect to any such issuance or deemed issuance, including a specified future issuance) so that the number of shares of Class A common stock issuable upon conversion of all shares of Class B common stock will equal, in the aggregate, on an as-converted basis, 20% of the sum of the total number of all shares of common stock outstanding upon completion of our initial public offering plus all shares of Class A common stock and equity-linked securities issued or deemed issued in connection with the business combination (excluding any shares or equity-linked securities issued, or to be issued, to any seller in the business combination).
