ABOUT BLADE

Blade is a technology-powered, global air mobility platform committed to reducing travel friction by providing cost-effective air transportation alternatives to some of the most congested ground routes in the U.S. and abroad. Today, the Company predominantly uses helicopters and amphibious aircraft for its passenger routes and is also one of the largest air medical transporters of human organs for transplant in the world. Its asset-light model, coupled with its exclusive passenger terminal infrastructure, is designed to facilitate a seamless transition to Electric Vertical Aircraft (“EVA”), enabling lower cost air mobility to the public that is both quiet and emission-free.

Commitment to Sustainability

One of our primary missions is to help passengers safely and reliably experience new ways of traveling with the highest respect for and least impact on our environment.

Our mission is to accelerate the adoption of EVA, making vertical transportation more accessible and sustainable in the future. These quiet, carbon-neutral and cost-effective electric aircraft are currently being developed and flown by our investors and partners today. Reducing noise, emissions, and cost will help bring urban air mobility to more people in more places. Specifically, we expect the reduced noise footprint and zero carbon emission characteristics of EVA to allow for the development of new, vertical landing infrastructure (“vertiports”) in our existing and new markets.

We believe that our current business demonstrates the commercial use case for future EVA. Our growth plan is focused on dense urban areas with existing air transportation infrastructure that are facing increasing ground congestion. In these areas, Blade’s urban air mobility services can provide significant time savings for our fliers. In addition, EVA may be commercially viable sooner in these markets given that battery technology constraints may limit the range of early models. Large urban markets and hospitals with existing heliport infrastructure should be able to accommodate EVA while other areas may need several years to permit and build such infrastructure. Moreover, costs for EVA transportation may initially be comparable to conventional rotorcraft. Blade’s existing routes and infrastructure are designed to be profitable using either helicopters or EVA.

Until such time that Blade services have fully transitioned to carbon-neutral EVA, we plan to purchase offsets to counteract the carbon emissions generated by our Short Distance urban air mobility services.

Commitment to Our Communities

Our Blade MediMobility group partners with transplant centers and organ procurement organizations across the United States, providing cost-effective, rapid movement of organs and transplant teams while maximizing success rates for patients. Blade is the largest dedicated air transporter of human organs for transplant in the United States, leveraging the combined volumes of our retail and medical businesses to enable expanded aircraft availability and better pricing for the hospitals we serve.

Commitment to Safety

Blade’s first priority is the safety of our customers. We select the operators who own, manage, and maintain aircraft in our accessible fleet based on their consistently high safety standards, industry leading equipment maintenance programs, and conservative operating protocols. Such operators are vetted by us and by third-party rotorcraft industry experts and are audited by our Director of Safety on a quarterly basis. Further, all of our operators are subject to regulation under FAA 14 CFR 135, which prescribes a much higher level of oversight by the FAA over our flights versus operations in privately owned and operated helicopters. These more stringent safety regulations applicable to commercial helicopter operations contribute to a reduced incident rate that is less than half the rate for non-commercial helicopter flights. Additionally, as part of our safety program, as specifically designed for us by our Director of Safety, many of our standards are more stringent than what is required by FAA 14 CFR 135. Our proactive safety program is designed to identify potential issues, minimize risks and ensure proper corrective actions are taken where appropriate. Our process and protocols are evaluated regularly to ensure compliance to the latest standards, to monitor and document issues, and develop appropriate corrective action plans with our operators.

PROPOSAL 1: ELECT CLASS I DIRECTORS

Our business and affairs are managed under the direction of our Board. Our Board currently consists of seven directors.

Our amended and restated certificate of incorporation provides that, subject to the right of holders of any series of preferred stock, our Board will be divided into three classes of directors, with the classes to be as nearly equal in number as possible, and with the directors serving staggered three-year terms, with only one class of directors being elected at each annual meeting of stockholders. As a result, approximately one-third of our Board will be elected each year.

Unless otherwise specified in the proxy, the shares voted pursuant thereto will be cast for each of Mr. Love and Mr. Philip. If, for any reason, at the time of election any of the nominees named should decline or be unable to accept his or her nomination or election, it is intended that such proxy will be voted for a substitute nominee, who would be recommended by our Board. Our Board, however, has no reason to believe that any of the nominees will be unable to serve as a director.

The following biographical information is furnished as to each nominee for election as a director and each of our directors as of March 14, 2022. References to service on our Board prior to May 7, 2021 refer to service on the board of directors of EIC.

Required Vote

Our bylaws provide for a plurality voting standard for the election of directors. Under this voting standard, once a quorum has been established, the nominees who receive the largest number of votes are elected as directors up to the maximum number of directors to be elected at the meeting. This means that the two nominees receiving the highest number of votes at the 2022 Annual Meeting will be elected, even if these votes do not constitute a majority of the votes cast. Only votes cast "FOR" a nominee will be counted in the election of directors. Votes that are "WITHHELD" with respect to one or more nominees will result in those nominees receiving fewer votes but will not count as a vote against the nominees.

Recommendation

Our board recommends that stockholders vote "FOR" all of the nominees.

CORPORATE GOVERNANCE

Board of Directors

Composition of the Board

The business and affairs of Blade are managed under the direction of the Board. We have a classified Board, with members of each class serving staggered three-year terms. Our Board consists of two directors in Class I (Mr. Love and Mr. Philip), two directors in Class II (Mr. Affeldt and Mr. Lerer) and three directors in Class III (Ms. Garvey, Ms. Lyne, and Mr. Wiesenthal). The Class I directors will be up for election at the Annual Meeting, the Class II directors will next be up for election at our 2023 Annual Meeting and the Class III directors will next be up for election at our 2024 Annual Meeting.

Director Independence

Nasdaq listing rules require that a majority of the board of directors of a company listed on Nasdaq be composed of “independent directors,” which is defined generally as a person other than an officer or employee of the company or its subsidiaries or any other individual having a relationship that, in the opinion of the company’s board of directors, would interfere with the director’s exercise of independent judgment in carrying out the responsibilities of a director. Based on information provided by each director concerning his or her background, employment and affiliations, including family relationships, the Board has determined that each of Eric Affeldt, Jane Garvey, Kenneth Lerer, Susan Lyne, Reginald Love and Edward Philip is an independent director under the Nasdaq listing rules and that all of such persons are also independent under Rule 10A-3 of the Exchange Act, except Mr. Affeldt. In making these determinations, the Board considered the current and prior relationships that each non-employee director has and will have with Blade and all other facts and circumstances that the Board deems relevant in determining independence.

Board Committees

The standing committees of our Board consist of an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Our Board may from time to time establish other committees.

Our President and Chief Executive Officer and other executive officers will regularly report to the non-employee directors and the Audit, Compensation and Nominating and Corporate Governance Committees to ensure effective and efficient oversight of our activities and to assist in proper risk management and the ongoing evaluation of management controls.

Each of the committee charters, as well as our corporate governance guidelines, is available on the Company’s investor relations website.

Audit Committee

Our Audit Committee consists of Mr. Philip, who serves as the Chairperson, Ms. Garvey and Ms. Lyne. Each member of the Audit Committee qualifies as an independent director under the Nasdaq corporate governance standards and the independence requirements of Rule 10A-3 of the Exchange Act. Our Board has determined that Mr. Philip qualifies as an “audit committee financial expert” as such term is defined in Item 407(d)(5) of Regulation S-K and possesses financial sophistication, as defined under the rules of Nasdaq.

The purpose of our Audit Committee is to assist our Board in discharging its responsibilities relating to:

- reviewing and discussing with management and the independent auditor the annual audited financial statements, and recommending to the Board whether the audited financial statements should be included in our annual reports;
- discussing with management and the independent auditor significant financial reporting issues and judgments made in connection with the preparation of our financial statements;

- discussing with management major risk assessment and risk management policies, including cybersecurity risks;
- monitoring the independence of the independent auditor;
- verifying the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law;
- reviewing and approving all related-party transactions;
- inquiring and discussing with management our compliance with applicable laws and regulations;
- pre-approving all audit services and permitted non-audit services to be performed by our independent auditor, including the fees and terms of the services to be performed;
- appointing or replacing the independent auditor;
- determining the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work; and
- establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or reports which raise material issues regarding our financial statements or accounting policies.

Compensation Committee

Our Compensation Committee consists of Ms. Lyne, who serves as the Chairperson, Mr. Philip, Mr. Lerer and Mr. Affeldt.

The purpose of the Compensation Committee is to assist our Board in discharging its responsibilities relating to:

- setting our compensation program and compensation of our executive officers and directors,
- monitoring our incentive and equity-based compensation plans, and
- preparing the Compensation Committee report required to be included in our proxy statement under the rules and regulations of the SEC.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee consists of Ms. Garvey, who serves as the Chairperson, Mr. Love and Mr. Affeldt.

The purpose of our Nominating and Corporate Governance Committee is to assist our Board in discharging its responsibilities relating to:

- identifying individuals qualified to become new Board members, consistent with criteria approved by the Board,
- reviewing the qualifications of incumbent directors to determine whether to recommend them for reelection and selecting, or recommending that the Board select, the director nominees for the next annual meeting of stockholders,
- identifying Board members qualified to fill vacancies on any Board committee and recommending that the Board appoint the identified member or members to the applicable committee,
- reviewing and recommending to the Board corporate governance principles applicable to us,
- overseeing the evaluation of the Board and management and
- handling such other matters that are specifically delegated to the committee by the Board from time to time.

Board Member Selection Criteria

In considering director candidates, the Board intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, dedication to the Company's mission, having the ability to exercise sound business judgment and having the commitment to represent the interests of the Company's stockholders. Candidates for director nominees will be reviewed in the context of the current composition of the Board, the operating requirements of the Company and the long-term interests of stockholders. In conducting this assessment, the Board considers diversity, age, skills, and such other factors as it deems appropriate given the current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the Board intends to review such directors' overall service to the Company during their term, including the number of meetings attended, level of participation, quality of performance, and any relationships and transactions that might impair such directors' independence. In the case of new director candidates, the Board also intends to determine whether the nominee will be independent for Nasdaq purposes. From time to time, the Board (or the Nominating and Corporate Governance Committee) may change the criteria for membership of the Board to maximize the opportunity to achieve success.

Board Leadership Structure

It is Blade's policy that the positions of Chief Executive Officer and Chairman be held by different persons. The Board recognizes, however, that there may be circumstances that arise in the future that would lead it to combine these offices. If the Chairman is not an independent director, one of the independent directors will be designated by the Board as lead independent director.

Currently, our leadership structure separates the offices of Chief Executive Officer and Chairperson of the Board. We believe this is appropriate as it provides our Chief Executive Officer, Mr. Wiesenthal, with the ability to focus on our day-to-day operations while allowing our Chairman, Mr. Affeldt, to lead our Board in its fundamental role of providing advice to and oversight of management.

Role of Board in Risk Oversight

The Board has extensive involvement in the oversight of risk management related to us and our business and accomplishes this oversight through the regular reporting to the Board by the Audit Committee. The Audit Committee represents the Board by periodically reviewing our accounting, reporting, financial and cybersecurity practices, including the integrity of our financial statements, the surveillance of administrative and financial controls, and our compliance with legal and regulatory requirements. Through its regular meetings with management, including the finance, legal, internal audit, information technology, and cybersecurity functions, the Audit Committee reviews and discusses all significant areas of our business and summarizes for the Board all areas of risk and the appropriate mitigating factors. In addition, our Board receives periodic detailed operating performance reviews from management and our Audit Committee receives regular updates from our Chief Financial Officer and Director of Cybersecurity regarding our continuous improvement projects related to cybersecurity.

Meetings and Attendance

During the year ended December 31, 2021 there were three meetings of the Board, four meetings of the Audit Committee, four meetings of the Compensation Committee, and three meetings of the Nominating and Corporate Governance Committee. Each of our directors attended at least 75% of the aggregate meetings of the Board and the committees of the Board on which they served during the period they served in 2021. Our independent directors meet regularly in executive session. All members of the Board are strongly encouraged to attend our annual meetings of stockholders. We did not hold an annual meeting of stockholders last year.

Communications with Our Board

Stockholders and other interested parties may write to our Board, the Chairman, any of the Audit, the Nominating and Corporate Governance and the Compensation Committees, or to our independent directors as a group at Blade Air Mobility, Inc., Attn: General Counsel, 31 Hudson Yards, 11th Floor, New York, New York 10001. The Board will consider stockholder questions and comments to be important and endeavor to respond promptly and appropriately, even though the board may not be able to respond to all stockholder inquiries directly.

Our Board has developed a process to assist with managing inquiries and communications. The General Counsel will review and compile any stockholder communications and may summarize such communications prior to forwarding to the appropriate party. The General Counsel will not forward communications that are not relevant to the duties and responsibilities of the Board and are more appropriately addressed by management, including spam, junk mail and mass mailings, product or service inquiries, new product or service suggestions, resumes or other forms of job inquiries, opinion surveys and polls, business solicitations or advertisements, or other frivolous communications.

Stockholder Recommendations of Director Candidates

Stockholders who would like to recommend a director candidate for consideration by our Nominating and Corporate Governance Committee must send notice to Blade Air Mobility, Inc., Attn: General Counsel, 31 Hudson Yards, 11th Floor, New York, New York 10001, by registered, certified or express mail, and provide us with a brief biographical sketch of the recommended candidate, a document indicating the recommended candidate's willingness to serve if elected, and evidence of the stock ownership of the person recommending such candidate. The Nominating and Corporate Governance Committee or its chair will then consider the recommended director candidate in accordance with the same criteria applied to other director candidates, including those described in our corporate governance guidelines and the charter of the Nominating and Corporate Governance Committee, each of which is available on our investor relations website.

Submission of Stockholder Proposals and Board Nominees

If you would like to include a proposal for stockholder consideration in our 2023 proxy statement or bring business before our 2023 Annual Meeting, you must send notice to Blade Air Mobility, Inc., Attn: General Counsel, 31 Hudson Yards, 11th Floor, New York, New York 10001, by registered, certified, or express mail and provide the required information and follow the other procedural requirements described below.

Stockholder Proposals for Inclusion in the 2023 Proxy Statement

Stockholders who wish to present a proposal in accordance with SEC Rule 14a-8 for inclusion in our proxy materials to be distributed in connection with our 2023 Annual Meeting must submit their proposals in accordance with that rule so that they are received by the General Counsel at the address set forth above no later than the close of business on November 18, 2022. If the date of our 2023 Annual Meeting is more than 30 days before or after May 4, 2023, then the deadline to timely receive such material shall

be a reasonable time before we begin to print and send our proxy materials. Failure to deliver a proposal in accordance with this procedure may result in it not being deemed timely received. As the rules of the SEC make clear, simply submitting a timely proposal does not guarantee that it will be included in our proxy materials.

Other Stockholder Proposals or Nominations for Presentation at the 2023 Annual Meeting

If a stockholder wishes to bring business to a meeting for consideration other than a matter brought pursuant to SEC Rule 14a-8, the stockholder must give our Secretary written notice of the stockholder's intent to do so and provide the information required by the provision of our bylaws dealing with stockholder proposals and director nominations. The notice of such a proposal or director nomination must be delivered to (or mailed to and received at) the address set forth above no earlier than January 4, 2023 and no later than February 3, 2023, unless our 2023 Annual Meeting of stockholders is to be held more than 30 days before, or more than 70 days after, May 4, 2023, in which case the stockholder's notice must be delivered not earlier than the close of business on the 120th day prior to the 2023 Annual Meeting and not later than the close of business on the later of the 90th day prior to the 2023 Annual Meeting or the 10th day after public announcement of the date of the 2023 Annual Meeting is first made. In the event that the number of directors to be elected at the annual meeting is increased and no public announcement naming all of the nominees or specifying the size of the increased board has been made by January 24, 2023, then notice of a stockholder's nomination to fill the new position or positions may be delivered to (or mailed to and received at) the address set forth above no later than the close of business on the 10th day after public announcement of such increase is first made. The requirements for such stockholder's notice are set forth in our bylaws, which are filed as an exhibit to our Annual Report on Form 10-K and our Quarterly Reports on Form 10-Q. We will submit all candidates nominated by a stockholder pursuant to the procedures and requirements outlined in this "Other Stockholder Proposals or Nominations for Presentation at the 2023 Annual Meeting" section to the Nominating and Corporate Governance Committee for its review, and this submission may include an analysis of the candidate from our management. Any stockholder making a nomination in accordance with the foregoing process will be notified of the Nominating and Corporate Governance Committee's decision. The information contained on or accessible through our corporate websites is not part of or incorporated by reference into this Proxy Statement.

PROPOSAL 2: RATIFY APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our Board appointed Marcum LLP ("Marcum") as our independent registered public accounting firm to audit our consolidated financial statements for the fiscal year ending December 31, 2022. During fiscal year 2021, Marcum served as our independent accountant and reported on our consolidated financial statements for that year. Marcum has been our independent auditor at all times since October 2020.

The Audit Committee intends to periodically consider whether to rotate our independent auditor in order to assure continuing auditor independence. The Board and the members of the Audit Committee believe that the continued retention of Marcum as the Company's independent auditor for the fiscal year ending December 31, 2022 is in the best interests of the Company and its stockholders.

We expect that representatives of Marcum will attend the Annual Meeting and will have the opportunity to make a statement if they so desire and to respond to appropriate questions.

Although stockholder ratification is not required, the appointment of Marcum is being submitted for ratification at the Annual Meeting with a view towards soliciting stockholders' opinions, which the Audit Committee will take into consideration in future deliberations. If Marcum's selection is not ratified at the Annual Meeting, the Audit Committee will consider the engagement of other independent accountants. The Audit Committee may terminate Marcum's engagement as our independent accountant without the approval of our stockholders whenever the Audit Committee deems termination appropriate.

Required Vote

Approval of this Proposal 2 requires the affirmative vote (*i.e.*, "FOR" votes) of a majority of the shares present or represented and entitled to vote thereon at our 2022 Annual Meeting. A vote to "ABSTAIN" will count as "present" for purposes of this proposal and so will have the same effect as a vote "AGAINST" this proposal. In the absence of instructions, your broker may vote your shares on this proposal. For more information, see "General Information about the Annual Meeting and Frequency Asked Questions—Voting Instructions and Information—If you do not vote and the effect of broker non-votes."

Recommendation

Our board recommends that stockholders vote "FOR" ratification of the appointment of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022.

Audit Committee Pre-Approval Process

The Board has established pre-approval policies and procedures, pursuant to which the Board approved the foregoing audit and tax services provided by Marcum in 2021 and 2020 consistent with the Board's responsibility for engaging Blade's independent auditors. The Board also considered whether the non-audit services rendered by our independent registered public accounting firm are compatible with an auditor maintaining independence. The Board has determined that the rendering of such services is compatible with Marcum maintaining its independence.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board assists the Board in performing its oversight responsibilities for the Company's financial reporting process and audit process as more fully described in the Audit Committee's charter. Management has the primary responsibility to establish and maintain a system of internal control over financial reporting, for the financial statements and the reporting process. The Company's independent registered public accounting firm is responsible for performing an independent audit of its financial statements and internal control over financial reporting in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) (the "PCAOB") and to issue reports thereon. The Audit Committee does not provide any expert or other special assurance as to the Company's financial statements or any expert or professional certification as to the work of our independent registered public accounting firm.

In the performance of its oversight function, the Audit Committee reviewed and discussed the Company's audited financial statements for the fiscal year ended September 30, 2021 with the Company's management and its independent registered public accounting firm. The Audit Committee also discussed with the Company's independent registered public accounting firm the matters required to be discussed by the applicable requirements of the PCAOB and the SEC. In addition, the Audit Committee received and reviewed the written disclosures and the letter from the Company's independent registered public accounting firm required by the applicable requirements of the PCAOB regarding such accounting firm's communications with the Audit Committee concerning independence and has discussed with the Company's independent registered public accounting firm that firm's independence and considered whether any "non-audit" services provided by the independent registered public accounting firm are compatible with maintaining its independence.

Based on the reviews and discussions described above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2021 filed with the SEC.

EXECUTIVE AND DIRECTOR COMPENSATION

This section discusses the material components of the executive compensation program for our named executive officers. On February 1, 2022, the Board changed our fiscal year from a year beginning on October 1 and ending September 30, to a year beginning on January 1 and ending December 31. In this Executive Compensation section, references to:

- The “Transition Period” or “TP” refer to the three-month period from October 1, 2021 until December 31, 2021;
- “FY2021” and “the fiscal year ended September 30, 2021” refer to the twelve month period from October 1, 2020 through September 30, 2021; and
- “FY2020” refers to the twelve month period from October 1, 2019 through September 30, 2020. Our named executive officers, consisting of our principal executive officer and the next two most highly compensated executive officers, for the Transition Period ended December 31, 2021 were:

The Compensation Committee of the Board sets our executive compensation philosophy and oversees compensation and benefits programs. The Compensation Committee has the authority to establish the compensation mix it believes is appropriate for each named executive officer, as well as any performance measures, goals, targets and business objectives that may be applicable with respect to any component of such compensation mix. The Compensation Committee determines the benefits and severance arrangements, if any, that we make available to executive officers.

Compensation Philosophy

Our executive compensation program has been based on an underlying philosophy that compensation should attract, engage and retain high caliber talent and align the interest of our executives with the interest of our stockholders. The majority of our named executive officers’ compensation consists of equity awards, which are intended to help us retain our management team over a longer timeline and to align their interest with the long-term interest of our company and stockholders. The Compensation Committee evaluates both overall company and individual executive performance when determining equity awards in order to motivate our executive officers and reward performance.

On December 16, 2021, the Compensation Committee approved awards of restricted stock units for certain employees, including our named executive officers (the "Transition Period Approval"). Pursuant to the Transition Period Approval, Mr. Wiesenthal was granted a total of 268,728 restricted stock units, Ms. Tomkiel was granted a total of 134,364 restricted stock units, and Mr. Heyburn was granted a total of 106,371 restricted stock units. These restricted stock units will vest according to the following schedule: 6.25% (rounded down to the nearest whole number) every three calendar months from January 1, 2022 (with the first tranche to vest on April 1, 2022), with any remaining unvested restricted stock units to vest on January 1, 2026, in each case subject to the applicable named executive officer's continuous employment through the vesting date.

2021 Omnibus Incentive Plan

We maintain the 2021 Omnibus Incentive Plan (the "Incentive Plan"), which provides a means through which to attract and retain key personnel and to provide a means whereby our directors, officers, employees, consultants and advisors can acquire and maintain an equity interest in us, or be paid incentive compensation, including incentive compensation measured by reference to the value of our shares of our common stock, thereby strengthening their commitment to our welfare and aligning their interests with those of our stockholders.

Eligible participants are any (i) individual employed by the Company or any of its subsidiaries and affiliates, collectively referred to as the "Company Group," except that no employee covered by a collective bargaining agreement will be eligible to receive awards under the Incentive Plan unless and to the extent that such eligibility is set forth in such collective bargaining agreement or a related agreement; (ii) director or officer of any member of the Company Group; or (iii) consultant or advisor to any member of the Company Group who may be offered securities registrable pursuant to a registration statement on Form S-8 under the Securities Act, who, in the case of each of clauses (i) through (iii) above, has entered into an award agreement or who has received written notification from the Committee (as defined below) or its designee that they have been selected to participate in the Incentive Plan.

The Incentive Plan is administered by the Compensation Committee of the Board or a subcommittee of such Compensation Committee to which it has properly delegated power, or if no such committee or subcommittee exists, our Board (such administering body and its authorized designee(s), the "Committee").

The Incentive Plan provides that the total number of shares of the Company's common stock that may be issued under the Incentive Plan is 9,306,968, or the "Absolute Share Limit," except that the Absolute Share Limit will be increased (A) on the first day of each fiscal year after our 2021 fiscal year in an amount equal to the least of (x) 4,125,000 shares of the Company's common stock, (y) 5.0% of the total number of shares of the Company's common stock outstanding on the last day of the immediately preceding fiscal year, and (z) a lower number of shares of the Company's common stock as determined by our Board and (B) for any shares of the Company's common stock underlying awards outstanding under the Fly Blade, Inc. 2015 Equity Incentive Plan, or the "2015 Plan," that, on or after the Closing Date, expire or are cancelled, forfeited, terminated, or otherwise are not issued (e.g., due to settlement in cash). The maximum number of shares of the Company's common stock for which incentive stock options may be granted is equal to the Absolute Share Limit. Except for Substitute Awards (as described below), to the extent that an award (or an award under the 2015 Plan) expires or is cancelled, forfeited, terminated, settled in cash, or otherwise is settled without issuance to the participant of the full number of shares of the Company's common stock to which the award (or an award under the 2015 Plan) related, the unissued shares will again be available for grant under the Incentive Plan. Shares of the Company's common stock withheld in payment of the exercise price, or taxes relating to an award (or an award under the 2015 Plan), and shares equal to the number of shares surrendered in payment of any exercise price, or taxes relating to an award, shall be deemed to constitute shares not issued; except that such shares will not become available for issuance if either: (i) the applicable shares are withheld or surrendered following the termination of the Incentive Plan or (ii) at the time the applicable shares are withheld or surrendered, it would constitute a material revision of the Incentive Plan subject to stockholder approval under any then-applicable rules of the national securities exchange on which the Company's common stock is listed. No award may be granted under the Incentive Plan after the tenth anniversary of the Closing Date, but awards granted before then may extend beyond that date. Awards may, in the sole discretion of the Committee, be granted in assumption of, or in substitution for, outstanding awards previously granted by an entity directly or indirectly acquired by Company or with which Company combines, or Substitute Awards, and such Substitute Awards will not be counted against the Absolute Share Limit, except that Substitute Awards intended to qualify as "incentive stock options" will count against the limit on incentive stock options described above.

2015 Equity Incentive Plan

Prior to the Closing, we made grants to service providers under the 2015 Plan. The 2015 Plan permitted the grant of incentive stock options, nonstatutory stock options, stock appreciation rights, restricted stock, and restricted stock units. No new grants can be made under the 2015 Plan following the adoption of the Incentive Plan. As of December 31, 2021, there were 8,097,394 options under the 2015 Plan.

We will be hosting the 2022 Annual Meeting live via the internet on May 4, 2022 at 10:00 a.m. (Eastern Time). You will be able to attend the 2022 Annual Meeting, vote your shares electronically and submit your questions during the meeting via live webcast by visiting www.virtualshareholdermeeting.com/BLDE2022. You will be able to attend the 2022 Annual Meeting from any location with internet connectivity. You will not be able to attend the 2022 Annual Meeting in person.

Appointing a proxy in response to this solicitation will not affect your right to attend the 2022 Annual Meeting and to vote during the 2022 Annual Meeting. Please note that if you hold your common stock in “street name” (that is, through a broker, bank or other nominee), you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares of common stock voted.

Stockholders may submit questions and comments before and during the meeting. During the meeting, we will spend up to 15 minutes answering stockholder questions that comply with the meeting rules of procedure. The rules of procedure will be posted on the virtual meeting web portal. To the extent time doesn’t allow us to answer all of the appropriately submitted questions, we will answer them in writing on the Investor Relations page on our website at ir.blade.com, soon after the meeting. If we receive substantially similar questions, we will group such questions together and provide a single response to avoid repetition.

The Annual Meeting webcast will begin promptly at 10:00 a.m. (Eastern Time). We encourage you to access the meeting webcast prior to the start time. Online check-in will begin, and stockholders may begin submitting written questions, at 9:45 a.m. (Eastern Time), and you should allow ample time for the check-in procedures.

What matters will be presented?

We are not aware of any matters to be presented at the Annual Meeting other than those described in this Proxy Statement. If any matters not described in this Proxy Statement are properly presented at the meeting, then proxies will use their own judgment to determine how to vote your shares. If the meeting is adjourned or postponed, then proxies can vote your shares at the adjournment or postponement as well.

Are all of the Company’s directors standing for election at the 2022 Annual Meeting?

No, only our Class I directors are standing for re-election at this time. Our Class II directors will stand for election at the 2023 Annual Meeting and our Class III directors will stand for election at the 2024 Annual Meeting.

Why is the 2022 Annual Meeting being held online?

Due to the ongoing public health impact of the COVID-19 pandemic, and to support the health and well-being of our stockholders and other participants at the Annual Meeting, this year the Annual Meeting will be a virtual meeting of stockholders held via a live webcast. The virtual meeting will provide the same rights and advantages of a physical meeting. Stockholders will be able to present questions online during the meeting, providing our stockholders with the opportunity for meaningful engagement with the Company.

How do stockholders participate in the virtual meeting?

To participate in the meeting, you must have the 16-digit number that is shown on your Notice of Internet Availability of Proxy Materials or on your proxy card if you elected to receive proxy materials by mail. You may access the Annual Meeting by visiting www.virtualshareholdermeeting.com/BLDE2022. We will have

technicians ready to assist you with any technical difficulties you may have accessing the virtual meeting or submitting questions. If you encounter any difficulties accessing the virtual meeting during the check-in or meeting time, please call the technical support number that will be posted on the virtual meeting log in page.

Will stockholders be able to participate in the virtual meeting on the same basis stockholders would be able to participate in an in-person annual meeting?

The virtual meeting format for the Annual Meeting will enable full and equal participation by all our stockholders from any place in the world that has internet connection at little to no cost, while protecting the health and well-being of our stockholders and other participants at the Annual Meeting.

We designed the format of the virtual meeting to ensure that stockholders who attend our Annual Meeting will be afforded the same rights and opportunities to participate as they would at an in-person meeting and to enhance shareholder access, participation and communication through online tools. We will take the following steps to ensure such an experience:

- providing stockholders with the ability to submit appropriate questions in advance of the meeting to ensure thoughtful responses from management and the board;
- providing stockholders with the ability to submit appropriate questions real-time via the meeting website; and
- answering as many questions submitted in accordance with the meeting rules of conduct as possible in the time allotted for the meeting without discrimination.

What stockholders are entitled to vote?

You may vote if you owned shares of our common stock as of March 14, 2022, which is the record date for the Annual Meeting. You are entitled to one vote on each matter presented at the Annual Meeting for each share of common stock that you owned on that date. As of March 14, 2022, we had 70,845,636 shares of common stock outstanding.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered to be the stockholder of record with respect to those shares, and we have sent the Notice of Internet Availability directly to you. As a stockholder of record, you have the right to grant your voting proxy directly to us or to vote during the live webcast of the Annual Meeting.

Beneficial Owner Stockholders. If your shares are held in a stock brokerage account or by a bank or other intermediary, you are considered to be the beneficial owner of shares held in “street name,” and the Notice of Internet Availability has been forwarded to you by your bank, broker, or intermediary (which is considered to be the stockholder of record with respect to those shares). As a beneficial owner, you have the right to direct your bank, broker, or intermediary on how to vote. Your bank, broker, or intermediary has sent you a voting instruction card for you to use in directing the bank, broker, or intermediary regarding how to vote your shares. However, since you are not the stockholder of record, you may not vote these shares during the live webcast of the Annual Meeting.

Who will tabulate the votes?

Broadridge Financial Solutions, Inc., an independent third party, will tabulate the votes.

How do I vote?

If you plan to attend the Annual Meeting, you may vote and submit questions while attending the meeting via live webcast. You will need the 16-digit number included on your Notice of Availability or your proxy

card (if you received a printed copy of the proxy materials) in order to be able to enter the meeting. Shares held in your name as the stockholder of record may be voted by you, while the polls remain open, at www.virtualshareholdermeeting.com/BLDE2022 during the meeting.

If your common stock is held in your name, there are three ways for you to vote by proxy:

- If you received a paper copy of the proxy materials by mail, mail the completed proxy card in the enclosed return envelope;
- Call 1 800-690-6903; or
- Log on to the internet at www.proxyvote.com and follow the instructions at that site. The website address for internet voting is also provided on your Notice of Availability.

Telephone and internet proxy voting will close at 11:59 p.m. (Eastern Time) on May 3, 2022 (although you may also vote live at the Annual Meeting). Proxies submitted by mail must be received prior to the meeting. Unless you indicate otherwise on your proxy card, the persons named as your proxies will vote your common stock:

- **FOR** all of the nominees for director named in this Proxy Statement; and
- **FOR** the ratification of the appointment of Marcum LLP as our independent registered public accounting firm for 2022.

If your common stock is held in the name of your broker, bank or other nominee, then you should receive separate instructions from the holder of your common stock describing how to vote your common stock.

Even if you plan to attend the Annual Meeting via live webcast, we recommend that you vote your common stock in advance as described above so that your vote will be counted if you later decide not to participate in the virtual Annual Meeting.

What happens if I do not vote? What is the effect of broker non-votes?

If you are a stockholder of record, then your shares will not be voted if you do not provide your proxy, unless you attend the live webcast and vote online during the Annual Meeting.

If (i) you are the beneficial owner of shares held in the name of a broker, trustee or other nominee, (ii) you do not provide that broker, trustee or other nominee with voting instructions, (iii) such person does not have discretionary authority to vote on such proposal, and (iv) you do not attend the live webcast and vote online during the Annual Meeting, then a “broker non-vote” will occur. Under the Nasdaq rules, brokers, trustees or other nominees may generally vote on routine matters but cannot vote on non-routine matters. Our Proposal 2 (ratify the appointment of our independent registered public accounting firm for 2022) is the only proposal in this Proxy Statement that is considered a routine matter. The other proposals are not considered routine matters, and without your instructions, your broker cannot vote your shares. For all other proposals, broker non-votes are not considered “present,” and as such, broker non-votes will not affect the outcome of any such other proposals.

How is a quorum determined?

Holders of a majority in voting power of the stock entitled to vote at the Annual Meeting must be present or represented by proxy to constitute a quorum for the transaction of business at the Annual Meeting. Shares that vote with respect to at least one proposal to be considered at the Annual Meeting, votes to “WITHHOLD” authority on the election of directors, and votes to “ABSTAIN,” broker votes and broker non-votes (only when accompanied by broker votes with respect to at least one matter at the meeting) are counted as present and entitled to vote for purposes of determining a meeting quorum. No business may be conducted at the Annual Meeting if a quorum is not present. Stockholders attending the Annual Meeting through the live webcast will be considered present for the purposes of determining a meeting quorum. If a quorum is not present by attendance at the Annual Meeting or represented by proxy, the stockholders present by attendance at the meeting or by proxy may adjourn the meeting, until a quorum is present. If a new record date is fixed for the adjourned meeting, we will provide notice of the adjourned meeting to each stockholder of record entitled to vote at the meeting.

What vote levels are required to pass an item of business?

Proposal		Vote Required	Broker Discretionary Voting Allowed
Proposal 1	Election of Class I Directors	Plurality of Votes Cast for each Director Nominee	No
Proposal 2	Ratification of Appointment of Independent Registered Public Accounting Firm	Majority of Votes Cast	Yes

With respect to Proposal 1, you may vote “FOR” or “WITHHOLD” with respect to each director nominee. Only votes cast “FOR” a nominee will be counted in the election of directors. Votes cast to “WITHHOLD” with respect to one or more nominees will result in those nominees receiving fewer votes but will not count as a vote against the nominees. The individuals who receive the largest number of votes are elected as directors up to the maximum number of directors to be elected at the meeting. This means that the four nominees receiving the highest number of votes at the Annual Meeting will be elected, even if these votes do not constitute a majority of the votes cast. Proxies may not be voted for more than four directors and stockholders may not cumulate votes in the election of directors.

With respect to Proposal 2, you may vote “FOR”, “AGAINST” or “ABSTAIN”.

If you abstain from voting on this matter, your shares will be counted as present and entitled to vote on that matter for purposes of establishing a quorum, but will not be counted for purposes of determining the number of votes cast.

Proposal 2 (ratify the appointment of our independent registered public accounting firm for 2022) is the only proposal on which your broker is entitled to vote your shares if no instructions are received from you.

What are the Board’s voting recommendations?

- **FOR** election of our board-nominated slate of directors (see Proposal 1); and
- **FOR** the ratification of the appointment of Marcum LLP, an independent registered public accounting firm, to be the auditors of our annual financial statements for the fiscal year ending December 31, 2022 (see Proposal 2).

Unless you give other instructions on your proxy card, the persons named as proxies on the proxy card will vote in accordance with the recommendations of the Board.

Where can I find the voting results?

Preliminary voting results will be announced at the 2022 Annual Meeting, and final voting results will be reported in a Current Report on Form 8-K, which we will file with the SEC within four business days following the Annual Meeting.

How can I revoke my proxy?

You can revoke your proxy if your common stock is held in your name by:

- Filing written notice of revocation before our Annual Meeting with our President and General Counsel, Melissa Tomkiel, at 31 Hudson Yards, 11th Floor, New York, New York 10001;
- Signing a proxy bearing a later date and delivering it before our Annual Meeting; or
- Attending the live webcast and voting online during the Annual Meeting.

If your common stock is held in the name of your broker, bank or other nominee, please follow the voting instructions provided by the holder of your common stock regarding how to revoke your proxy.

What are the costs of proxy solicitations?

Our Board solicits proxies on our behalf, and we will bear the expense of preparing, printing and mailing this Proxy Statement and the proxies we solicit. Proxies may be solicited by mail, telephone, personal contact and electronic means and may also be solicited by directors and officers in person, by the internet, by telephone or by facsimile transmission, without additional remuneration.

We will also request brokerage firms, banks, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of our stock as of the record date and will reimburse them for the cost of forwarding the proxy materials in accordance with customary practice. Your cooperation in promptly voting your shares and submitting your proxy by the internet or telephone, or by completing and returning the enclosed proxy card (if you received your proxy materials in the mail), will help to avoid additional expense.

Where you can find our corporate governance materials?

Current copies of our Board's Corporate Governance Guidelines, Code of Business Conduct and Ethics, and the charters for the Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee are published in the Governance Documents section of the Investor Relations page on our website at ir.blade.com/corporate-governance. We are not, however, including the other information contained on or available through our website as a part of, or incorporating such information by reference into, this Proxy Statement.

Accordingly, we sent a Notice of Internet Availability of Proxy Materials (the "Notice") to our stockholders. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the internet or to request a printed copy may be found in the Notice.

If we household materials for future meetings, then only one copy of our Annual Report and Proxy Statement will be sent to multiple stockholders who share the same address and last name, unless we have received contrary instructions from one or more of those stockholders. In addition, we have been notified that certain intermediaries (*i.e.*, brokers, banks or other nominees) will household proxy materials for the Annual Meeting.
